ANTIOCH, ILLINOIS, THURSDAY, OCTOBER 3, 1963

VOL. LXXVIII, NUMBER 14

DR. CHARLES CANON of Northern Illinois University helps Antioch Grade School teachers solve a problem of mixing during the Teacher's Workshop at the Grade School.

County Teachers Enjoy Workshop

Today's teacher is a far cry from her counterpart of the past, who often taught eight grades in one room. That teacher of the past grudgingly pounded facts and knowledge into reluctant young brains, and didn't worry about stimulating interest, encouraging capabilities or looking for new methods of teaching.

Today's teacher has to study nearly as much as her students to keep up with constantly changing methods, implements, and even new facts. One of the latest aids for our busy teachers is the workshop—a place where teachers can exchange ideas and see and hear of recent innovations that have been used by some of their colleagues.

Both Antioch Community High School and Antioch Grade School were the scenes of such Teachers' Workshops last Friday, with teachers from all over the county gathered together to learn, consult and discuss.

At the Grade School, Dr. Charles Canon, of the Art Department of Northern Illinois University at DeKalb was helping teachers to explore different methods of art activity which they could take back to their students. Liquid starch, crayons and finger paint were being applied to paper by earnest teachers. Sheets of paper that one moment looked like an aimless mass of color often became attractive paintings, suddenly, under the fingers of the student teachers.

At the High School, teachers from different departments pursued their interests in scattered classrooms all over the building. In the girls' gym, a group of P. E. teachers discussed their problems. Science forums, vocal groups—some in small groups, some large gatherings, but all intent on learning something new about their own specialty. Russell

Night Class In Self-Help

For the benefit of Lake County residents living in the Antioch area, the Lake County Civil Defense Office and Lake County Health Department is again sponsoring a course in "Medical Self-Help" in the Antioch Township High School, starting Monday, Oct. 7, 7 to 9 p.m. Registration can be made at the school, Oct. 7, or please call Lake County Civil Defense Office, EM 2-3003. Mr. Ferdinand Wolter of Antioch will conduct the class.

This FREE course is conducted in 8 two hour sessions, and subjects covered in the course provide knowledge of survival during times of emergency, assuming doctors or nurses or hospital facilities are not available for an indefinite period of time. Other material covered includes radioactive fallout and shelter, treatment of burns, shock, nursing care, hygienic sanitation and vermin control, water and food handling after nuclear attack, artificial respiration and emergency childbirth. Upon completion of the course, diplomas are given to participants.

At least one adult member of each family should avail themselves of this valuable series of instruction. Minimum of 15 students required for each class.

Ask Zoning Change for Trap Shoot

The County Zoning Board held a public hearing at the Antioch Village Hall last Friday on the petition of the Northern Illinois Conservation Club to change the zoning classification on a portion of the Club grounds.

The Club, through its attorney, Ted Larson, requested that a portion of the property used by the club to be rezoned from R-4 to F, and that a permit for trap and skeet shooting on the premises be allowed.

The property in question is south of Route 173, at the south end of Channel Lake. The south border of the property adjoins swamp land which is now a game refuge owned by the state, and part of Oak Point State Park. Club property is bordered on the east by Volk's subdivision.

No objectors were present to protest the zoning. Richard Waters, president of the club; Bill Brook, vice president; Harry Stern, publicity director, and George Jensen, treasurer, testified to the board that the club was non-profit, that the shooting range would in no way endanger the public or nearby residents, and that it was to be used to promote interest in the club and further its work. Only shotguns would be used, Mr. Waters said, no rifles or pistols.

The property in question is owned by the Gifford family, and was the Channel Lake Golf Club many years ago. The Giffords allow the club to use grounds and clubhouse for activities of the club.

The Zoning Board adjourned to view the clubhouse grounds, after announcing that their recommendations on the petition would be presented to the County Board at its October 10 meeting.

Olisar To Play With Lyric Opera

George Olisar, director of the Antioch Grade School Band, will play 20 performances with the Lyric Opera Co. in Chicago this season. Opening night at the Opera is Friday. Mr. Olisar, who plays trumpet, will be part of the backstage band. The band provides offstage music during opera performances. During four of the productions he will be on stage, where the story requires the appearance of musicians.

The 20 performances will include five different productions.

Take Over Laundry

Emerson R. Sander and John F. Dallman, who took over Wilson's Laundromat in Antioch a short time ago and changed the name to the Sunshine Laundromat, have recently branched out.

They are now also operating the Lindenhurst Laundry Village in the Lindenhurst Plaza.

Mr. Sander is a former employee of the Jewel Tea Co., and secretary of the Lotus School Board. Dallman also operates the Jo-Bel Cabinet Shop.

A Grand Opening for the Lindenhurst laundry is planned for the near future.

Local Man Hangs Self

Eric E. Anderson, 61, president of the Lake County Farm Bureau was found hanged Monday in the barn on his 500-acre farm on Rte. 45 near Millburn.

Mrs. Anna Bauman, 79, Anderson's mother-in-law, discovered the body shortly before 11 a.m. after a phone call from Mrs. Anderson asking her to check on him.

Mrs. Anderson told sheriff's deputies that he had tried to cut his wrists late Sunday night, saying he felt as if he were losing his mind because of bad pains in his head.

Mrs. Anderson said she had bandaged his wrists and that he arose in good spirits and left for work around 8 a.m. Monday. Anderson had gone out to feed the cattle about a half hour before he was found, his mother-in-law told deputies.

Mrs. Anderson, a teacher at the Millburn School, said her husband had not been in ill health except for a kidney infection last spring. Sheriff's deputies said he apparently threw a rope over a rafter, tied one end to a threshing machine and the other end around his neck and jumped off the machine.

Efforts by the Lake Villa Rescue squad to revive him failed.

Mr. Anderson was a director of the Lake County Farm Bureau for nine years and had been elected president in 1957. He was named in 1955 to succeed his late brother as president of the Millburn Mutual Insurance Company.

Leg Broken When Bike Brakes Fail

Robert Watt, 17, suffered a broken leg when the motorbike he was driving struck the rear of a car on Route 21 south of Antioch Saturday at about 5 p.m. Watt was taken to Victory Memorial Hospital by the Antioch Rescue Squad.

The car he struck was driven by Charles H. Bruner, Rt. 1, Box 244, Antioch. Bruner said the car ahead of him signaled for a left turn, and when he slowed Watt's motorbike struck his rear bumper.

Watt said he applied his brakes and tried to stop, but the brakes failed. Neither driver was charged with a violation, according to sheriff's deputies.

Light Enrollment In Evening Classes

Classes will begin next week for Adult Evening School at Antioch Community High School. Classes with sufficient enrollment to meet are:

Shorthand and Shorthand Refresher on Monday and Wednesday nights.

Typing and Office Machines on Tuesday nights.

Beginning and Intermediate sewing, which will be combined for either Monday or Tuesday nights, to be arranged by the class at its first meeting.

Classes with insufficient enrollment and which will be dropped unless more people sign up are Interior Decorating, Bookkeeping, and Conversational French.

Falls From Scaffold

Emil Frozeth, 76, of Rt. 3, Channel Lake was taken to Victory Memorial Hospital Tuesday after falling from a scaffold at his home in Sun Side Subdivision. Mr. Frozeth was painting on the rear of his house when the accident occurred. He suffered a head injury and bruises.

Frozeth was taken to the Antioch Clinic by the Rescue Squad where he was attended by Dr. Kopriva before being moved to Victory.

Board Struggles With Problems of Roads, Sewers

DON'T BURN LEAVES ON STREET

Edgar Simonsen, Fire Chief and head of the Village Street Dept., asks that residents remember that they should not burn leaves on the village street. It creates a hazard, with cars passing, points out Simonsen. It also helps to break down the surface of the street.

Lahti Joins Standard Oil

On October 1, Bill Lahti, owner of Lahti Oil Company, became a member of the Standard Oil family. Lahti will be the Standard Fuel Oil representative in this area and will be teamed up with Dudley Kennedy, Warren Chard, Leonard Oler, and Kenneth Swanson.

Lahti started his business in 1946 with the help of a GI Loan and a small 660 gallon truck. This truck grew into a fleet of three with capacities between 1300 and 1700 gallons. Lahti said that it is very gratifying to see your business grow from a small start and to see it grow to the position that it has achieved. Lahti adds that this would not have been possible without the support of the customers that he has had the pleasure of serving during the last seventeen years. "We still deliver to customers who started with us in 1946," Lahti said. "Their loyalty, and also that of our many other customers, has truly been wonderful."

Lahti has served the community in other ways too. He is a Past Commander of the Antioch Legion Post, and has served as the Antioch Legion School Medal Chairman for many years. He also has been a director in the Antioch Lions Club and has many times furnished organ music for organizations such as Cub Scouts, Moose Lodge, PTA, etc. Lahti presently is serving on a citizens committee appointed by the Antioch Village Board.

Comments Local P O

Postmaster Roy I. Kufalk said he had received a letter from William H. Neal, National Director of the U. S. Savings Bonds Division, commending the local post office for its successful efforts in promoting the sale of U. S. Savings Stamps, and announcing that children buy their first stamps of the school year will be given a free certificate signed by the seven Mercury Astronauts, designating them as "Junior Astronauts." These certificates are now available at the Post office.

Postmaster Kufalk said: "Selling Savings Stamps through the schools and over-the-counter to the public is a part of the Post Office Department's services of which we are particularly proud. The Treasury-sponsored School Savings Program not only promotes practical thrift but also acquaints our young people with their government and their duties and privileges as American citizens. I know of no finer way to build for a better tomorrow than by training our youth of today in the sound American heritage of thrift."

Savings Stamps in 10c, 25c, 50c, \$1 sizes are on sale at the post office at all times, as well as on Stamp Day in schools.

Lee Strang Injured

Lee Strang, who fell and broke his hip bone last Wednesday, is doing well in Victory Memorial Hospital, according to his son, Ed Strang.

William Brook became president of the State Bank of Antioch last week. He has been vice president of the bank for several years.

Blind Trade Ideas in Social Club

The exchange of helpful hints on how to go about the various small mechanics of daily living without sight is the aim of the Lake County Social Club for the Blind.

The next meeting of the Club will be held at the Waikana Inn on Green Bay Road at 2 p.m. on Sunday, Oct. 6.

Albert J. Brean is chairman of the club. There are about 25 members now, but Brean feels there must be many more blind, or partially blind, persons in Lake and McHenry Counties who would like to join the club.

Anyone in this area who would like more information about the club—all ages are eligible—may call Frank Kennedy, Jr., at 395-2072.

Car Hits Deer

A deer was struck and killed by a car on Route 173 near Charlie's Channel Inn at about 4 p.m. Tuesday. The car did not stop and no one saw the accident.

Charlie Kakacek, owner of Charlie's Channel Inn, and his son-in-law, Ken McGinn, heard the thud when the deer was struck, and went out to investigate. They found the animal lying in a ravine just west of the bridge and on the south side of the road.

The deer weighed about 150 to 175 pounds, according to Charlie, and was a 7-point buck. Both hind legs were broken, and the animal was dead when they found it.

Curious crowds gathered to view the deer. Harry Novotny, game warden, took the animal away.

Lake Street No Road, Says Angelotti, Engineer

When is a 60-foot road not a road? Apparently, when a village board forgets to dedicate it as a road, or to legally record it as such.

This was the latest complication to arise at the Village Board meeting Tuesday night, when the subject arose of trying to "persuade" Lyn-Jay builders to provide enough parking space before renting out more apartments at the Tiffany Arms.

Frank Angelotti, at present village engineer in charge of the sewer project and also working as engineer for Hank Erforth, owner of Tiffany Arms, momentarily put on his "Erforth" hat Tuesday night, and delicately suggested that Lake St., which runs past Tiffany Arms, does not belong to the village, is not a road, and that the portion of it which runs past the Tiffany Arms belongs to Lyn-Jay Builders. He would like, opined Mr. Angelotti, to see what would happen if Mr. Erforth decided to put a fence up across it.

Ernest Glenn assured him immediately and vigorously that a bulldozer would be used, and Angelotti abandoned the question. However, the question of the legality of the road appeared to take the steam out of the Trustees' efforts to force Mr. Erforth to provide more parking. Angelotti promised to keep working on the problem.

Bids on a sewer lateral to be installed at the south end of the village and down Route 173 to 21 were also opened, read and tabled for consideration. Kill Construction bid \$27,536.60 for a 12-inch vitrified clay tile sewer; Lakeland Construction bid \$35,944.00; Illinois Underground Contractors, \$30,807.90, and Ingram Construction \$38,305.60. Both bids will be awarded Tuesday night, Oct. 8, when the recessed board meeting will convene.

Mrs. Rundgren Joins "Who's Who"

Beverly Jane (Mrs. Edward) Rundgren of Lake Villa, has been added to the "Who's Who of American Women" this year.

Mrs. Rundgren says she has no idea why she was chosen to join outstanding women of the nation. She "came up the hard way," she says, via the public school route. A goodly proportion of the women listed in the book are college graduates and members of sororities.

Mrs. Rundgren is a member of the Board of Directors of Countryside Hospital, and has worked for the construction of the institution since the day of its conception—"Sometimes," she says, "when it seemed that all that was holding it together was chewing gum."

She was born in Highland Park, the daughter of John T. and Esther Morgan; married Edward Rundgren on April 14, 1956; president of the Lake Villa Women's Republican Club; treasurer-secretary of Rundgren, Inc., commercial artists; and secretary-treasurer of the Cedar Crest Improvement Association.

Mr. and Mrs. Frank Reeder asked the board to refund \$173 which they had paid for a building permit, water and sewer charge, etc., and had never used. Mrs. Reeder said a contractor, a Mr. Bogart, had applied for the permit in their name. They

(continued on page 6)

VOLUNTEERS WORKING on the new tennis court at the Antioch Aqua Center Sunday were left to right, Bill Vos, Irv Walsh, Murrill Cunningham, Bob Cunningham, Vic Lubkeman. The project is scheduled for completion in 30 days providing the week end weather holds good.

EDITORIAL

Dangerous Corners

Summer and autumn weather are beautiful, and we hate to think they'll end soon. But every season has its advantages. Not the least of these is the clearing of heavy foliage from road corners after a few heavy frosts.

Too many intersections are made dangerous by the growth of high weeds and hedges of tall bushes. At many corners, the motorist has no view of the road he's entering until he pulls partially out on to that road.

Subdivision side roads are probably the worst offenders in this respect. Vacant lots on corners are overgrown with high weeds, bushes and small trees. Hedges on corner lots often grow rampant, and one must creep carefully out to see past them.

The blind corners are particularly dangerous for youngsters approaching them either on foot or on bikes.

Subdivision residents are often hard-pressed to raise funds to maintain the roads, so the extra expense of clearing corners is neglected. Then, too, some corner-dwellers like their high hedges and feel no civic responsibility to help make the roadway safe.

The ideal answer, so far as most subdivision residents are concerned, would be to have the township take over the road maintenance. It would certainly increase the cost of township road maintenance, but at present the taxpayer who lives on a subdivision road has reason to feel sorely neglected. And the dangerous corners persist year after year, often becoming a sore point between neighbors.

Along The Way

with
ANNIE MAE

Sass! Boom! Ahhh! The traditional signal for the kick-off of any football game. Not only does this yell get the ball off to a flying start but it is also the stimulant for the spirit of the crowds in the stands. The Fighting Sequoits have a valiant team of players who play the game with not only their bodies, but with their hearts too. Every play is vital to each game and team-mate encourages teammates as the battle wages tougher and more challenging. Now for the crowds: there seems to be a group of old fogies who think that our Fighting Sequoits classmates haven't any Team Spirit. Seems some folks think the only school that will have team spirit is the one that wins all the games. Let's prove to everyone around that we, as Fight-Fight-Fighting Sequoits have an indomitable spirit that can't be downed by a loss and only grows to greater heights when we win!

THE LATEST REPORT—The new owners of the Evergreen Cafe on Rte. 21 are Hank and Tina Weber and that's a real double Dutch treat in anybody's language. One way to make sure you're on the right side of the law when you go hunting is to do what Ray Toff did when he left for Wyoming: he was accompanied by two Lake County law officers. The donations of material and labor have made it possible for the new tennis court and skating rink to move right along. Ted Larson won the Gibbs & Jensen golf tournament with a fantastic 75, but "Doc Kopriva's red shoes caused the most attention. Helen Osmond wins our admiration badge; she is taking driving lessons for the first time in her life. Father Hood of St. Ignatius Episcopal Church, along with his charming wife Marlow, and two little girls will be attending a new parish in Oak Lawn, Ill. Our community will suffer a loss in his great wit, and willingness to help

whenever or wherever help was needed.

THE LAST DROP: Those real live Hootenannies you spotted on Main St. last week were escapees of Virgil and Jackie Horton's animal collection. Wm. Vos' wife Marge presented him with a little addition of his own Tuesday morning, a baby girl. . . . haven't figured out whether Laursen & Blackman have bought the Pepsi Cola Co. or just haven't painted the name off the truck yet. . . . the troubles they are having with the west end of Lake St. look a little like "street street, who's got the street." . . . let's all get out for the Antioch Community High School's homecoming Saturday, Oct. 12, c'mon all you merchants, let's show those kids we mean business! DID YOU HEAR About the elephant who swallowed a mouse, and took a cat for a chaser?

Spirited,

Annie Mae

Letters to the Editor

TO GREAT ANTIOCH INDUSTRY

Antioch has made a great improvement in industry as the factories build up. One factory that has helped so many is GEFCO. So many older women have had the pleasure of being employed by Gefco—a grand place to work for young and old. We start work at 8 o'clock, a break at 8:40 and coffee at 10 o'clock. Then lunch at 12 o'clock; at 1:15 another break, then free coffee at 3 o'clock, as the time really goes by good. We got a nice raise in pay again. Free coffee three times a day. We all are happy to work for Gefco and all work together. Have a grand boss who can understand the old and young, Ronnie Knovack. We are happy each week to take our pay check home and enjoy our work.

Rose Kling

THE ANTIOCH NEWS 2

Your Governor Reports

by OTTO KERNER

The Illinois Crime Commission, a promising new agency authorized by the last session of the General Assembly, has joined the fight against crime in our state. The group held its first meeting in my office in the State Capitol recently. The eight legislators and four public members elected as chairman a respected Danville attorney, Robert Z. Hickman.

The commission has great possibilities, particularly if it does its job objectively and without political considerations. It will be able to serve as a backstop to local law enforcement agencies and to our administration, which is already waging a relentless campaign against dishonesty.

I have pointed out a number of times the outstanding performance of the Illinois Liquor Control Commission, which has handed down more than 18 times as many revocations and suspensions of liquor licenses as previous commissions, for such violations as gambling and selling liquor to minors.

Another area where we have stepped up enforcement is at the horse race tracks. I recently ordered Illinois

Racing Board Chairman William Miller to form a state bureau of race track police with one mission—to fight crime. The bureau will keep undesirable away from the races, prevent illegal bookmaking at the tracks and run constant checks on the persons involved in the racing business.

On still another front, our investigations uncovered irregularities in a number of State Police districts, stretching back as far as 10 and 15 years. Internal checks turned up some troopers who had taken payoffs from overweight truckers, who had solicited kickbacks from tow truck operators and who had written phony state warrants for their own personal expenses.

The great majority of our State Policemen are honest; we owe it to them and to the public to weed out these pockets of dishonesty. That we are doing. This and the efforts in other areas continue to bring us closer to our ultimate goal—a state free of organized crime and corruption.

After they are sixty all women look alike—provided you are around ninety.

Mercury**

PARK LANE WITH RACY MARAUDER STYLING

The "action" is provided by the type of V-8 engines that have made Mercury the new performance champion of the medium-price field—demonstrated in open competition including the most recent Pikes Peak Climb. A 390 cu. in. V-8 is standard, a 427 V-8 optional. And only Mercury offers you two entirely different styling choices in one great car.

Mercury delivers more than the usual in all these ways: more performance, with the most responsive engines in its field. More leg room, head room, and entry room. More trunk space—11 suitcases big (17.1 cu. ft.). And a far greater styling choice: racy Marauder styling (above) or unique Breccway Design (right), with the only rear window that opens for ventilation, stays clearer in rain or snow. MEMBER FEDERAL DEPOSIT INSURANCE CORP.

By Pearl Kapell

I couldn't get to sleep last night. And I'll bet a lot of people were in the same boat. It wasn't insomnia, and I was tired. It was simply that I'd been watching TV. And I had the misfortune to start watching one of those stories so dear to the heart of the so-called intelligentsia. Those stories that have no end.

Just when the story reaches the most interesting point—the harassed husband decides to choke his wife to death, or the loving mother begins to suspect her child is abnormal—practically any point of high interest will do to suddenly end the story and leave you hanging in mid-air. You sit tense and waiting to see what happens next, the picture fades, a light ditty is played and a voice announces, "Next week's drama will tell the story of..." Unbelievable, you sit and watch hopelessly while scenes from next week's jolly little tale unfolds, while the commercial unravels, and the next program starts. No more. That's it. How did it end?

This, so they say, is realism. The story with no end. A fragment from life. So you lie awake all night, dreaming up different ways it might have ended, knowing dimly that no ending of

TEACHERS OF GIRL'S P.E. discuss their problems at Teacher's Workshop.

your own fabrication will ever satisfy you.

I like my stories neatly ended. Realism, shmealism. If I want to write stories myself, I'll write the whole story. When I watch a play, I want the writer of that play to do the work, not me.

May the writer of that play with no end, the man who produces it, the sponsor who sponsors it, dream for 700 nights running that he's hanging in mid-air over a canyon 700 feet deep by a frayed rope. That's the curse of a viewer of his plays who has spent sleepless nights fretting over what happened next. I'll let them know whether or not the rope breaks a year from Tuesday.

Land Bank Holds Annual Meeting

The annual meeting of the Federal Land Bank Association of Woodstock will be held Saturday, October 5, at Westwood School in Woodstock, starting with a roast of dinner at 11:30 a.m., according to Thomas L. Frey, manager. Over 400 people in Lake, McHenry and Boone Counties are farm owners owning stock in the Federal Land Bank system and using their own co-op to finance their farms.

Baby Care Course

Babies are terrific—learn how to become a quick change artist. If you are one of the fortunate ones about to become a parent enroll today in the Red Cross "Mother and Baby Care" class now being offered at the Waukegan Township High School, 1011 Washington St. Starting Wednesday, Oct. 2, from 7-9 p.m. Mrs. Edwina Austin a trained nurse will be the volunteer Red Cross instructor.

The magician who saws a woman in two isn't nearly as marvelous as the husband who keeps one from flying to pieces. The woman's work that is never done is most likely what she's asked her husband to do.

Courthouse Notebook

BY LOU DURKIN

Legislative redistricting will take place before the Dec. 18 deadline for the special commission on reapportionment to complete its job, but will depend on Chicago's Mayor Richard J. Daley accepting the loss of two City of Chicago districts, according to State Rep. W. J. Murphy, of Antioch.

Lake County will be divided into two districts by cutting through the county along an east-west line that will place nine townships in each district, Murphy predicted.

Among other things this will mean that Murphy and Rep. John Connelly, of Gurnee, will retain their seats along with Democrat Jack Bairdow if he should seek re-election; in the north district, and three new representatives will be elected to represent the south district.

If the commission appointed by Gov. Kerner does not carry out its task Illinois will become the laughing stock of the nation as it goes about the ludicrous task of trying to elect the entire membership of the Illinois General Assembly in a large election.

They'll still be trying to count the votes when the 1965 session of the legislature is supposed to get under way.

Although it's unfortunate that the legislators themselves could not carry out the task, it may prove to be a break.

Faced with the dire prospect of a state wide election of legislators, the commission may ignore partisan considerations and produce a reasonable and equitable redistricting.

You can look for an early announcement or at least a firm indication from Max Wildman, Lake Bluff attorney, that he will be a candidate for the Republican nomination for U. S. Representative from the 12th Congressional District.

Wildman, who made a strong bid for the GOP nod in the 1962 primary, is aware that his hope of unseating incumbent Cong. Robert McClory, a nearby neighbor, rests with a two-man head to head race in the April balloting.

If Wildman makes his intentions known early enough he could probably force out any other potential candidates.

Cong. McClory, on the other hand, is naturally hoping for a three or four man race and could conceivably find someone willing to run interference for him in return for future political favors.

McClory foes are aware that 1964 could well be their last chance to retire him to private life because he would be virtually unbeatable with two terms in Congress behind him.

This is the season of the political rumor, but it is sometimes difficult to get confirmation or denial from the people named in the rumors.

For instance, if you ask Waukegan Atty. Dick Christian, the Lake County Public Defender, if he is planning to run for State's Attorney against Bruno W. Stanczak, as one rumor has it, he'll tell you about the golf shot he made last week or a terrific bridge hand he held the night before.

You heard that County Treasurer Karl Berning would be a candidate for the legislature, but he is pretty busy now with tax collec-

tions, tax sales, and other duties of that office.

Sponsors of a dinner for State Sen. Robert Coulson infer that the Nov. 16 party will produce some surprises and you wonder if maybe he isn't going to seek re-election next year.

And, incidentally, the Coulson Dinner at the Illinois Beach State Park Lodge is Nov. 16 and not Nov. 12 as

Dinner Meeting of Republican Club

"Target '64" will be the theme at a dinner meeting of Tri-County Republican Club of Boone, Lake and McHenry Counties to be held at the Biltmore Country Club in Barrington on Friday evening, October 11.

Principal speaker for the evening will be General William H. Wilbur (retired), who has chosen for his topic, "1964—A Great Republican Opportunity."

erroneously reported in this space last week.

Even the non-political judiciary is making political sounds as the jockeying begins for the Republican nomination for the Circuit Court seat occupied by Judge Philip W. Yager.

And of course there is a strong possibility that there will be two Circuit Court vacancies to be filled next year if Judge Thomas J. Moran moves up to the Appellate court.

Have you taken your fall ride through the countryside yet? M. E. Amstutz, the county highway superintendent, will probably hate us for this, but you can purchase a map of county highways at the department office in Libertyville and by traveling the "out back" county roads drink your fill of wondrous fall foliage.

Boat owners are more gregarious than the remainder of the population, according to the survey of some 5,000 persons by a leading research organization under the auspices of the Outboard Boating Club of America. The study found that boat owners spend more time in

Topics for Today's Women

Fall Wedding Unites Barbara Young and Timothy Dolan

Miss Barbara Ann Young and Timothy M. Dolan were united in marriage at 2 p.m. Saturday at the immaculate Conception Church in Waukegan. The double ring service was read by the Rev. John Carolan.

The bride is the daughter of Mr. and Mrs. Kenneth E. Young of Millburn. The groom is the son of Mr. and Mrs. Martin E. Dolan of Waukegan.

The bride's silk organza gown, featuring a short lace jacket and a detachable organza train, was made by the same dressmaker who had fashioned her mother's wedding dress 23 years ago. A crown of seed pearls and crystals held the elbow-length veil. She carried a cascade bouquet of stephanotis, ivy and orchids.

Miss Carolyn Westberg was maid of honor and Mrs. Edward Gersteh and Miss Kathy

Kasch, cousin of the bride, were bridesmaids. Peggy Dolan, the bridegroom's sister, served as flower bearer.

The bridal attendants wore floor-length gowns of silk organza over taffeta with organza jackets. They carried largest bouquets of nuts and berries centered with multi-colored gladiolus.

Dennis Johnson and Glenn Young, the bride's brother, were ushers. Danny Bergstrom, the bride's cousin, was ring bearer.

A four o'clock dinner at the Parkway restaurant was followed by a reception at the home of the bride's parents for 200 guests.

After their return from a trip to Niagara Falls and Detroit, Mr. and Mrs. Dolan will return to their studies at Southern Illinois University in Carbondale. Mrs. Dolan is a junior and her husband is a senior.

MR. AND MRS. TIMOTHY M. DOLAN. Mrs. Dolan is the former Barbara Ann Young.

Kansas Wedding Unites Mission Workers

The marriage of Ann Wheeler, Toronto, Kansas, to the Rev. David L. Henriksen, of Antioch, was solemnized at 3 p.m. Saturday, Sept. 7.

Parents of the couple are Mr. and Mrs. C. F. Wheeler of Toronto and Mr. and Mrs. G. B. Henriksen, Sr. of Antioch.

The Rev. Doyle Hopper read the double ring ceremony before a cathedral setting of white gladioli and fern, illuminated by four tapers in decorated candelabra.

Mrs. Harold Foster, organist, and Mrs. Leo Jean, pianist, played the wedding music. The pianist accompanied the Rev. Lee Drennan who sang the solos.

The bride was given in marriage by her father. She wore a gown of white brocade satin with a scalloped neckline and fitted bodice. The skirt was chapel train length. A crown of seed pearls held the fingertip length illusion veil edged with lace. She carried a cascade of white orchids and white butterfly roses.

Matron of honor Carol Henriksen, wore a gown of green chiffon over taffeta. The bridesmaids, the Misses Mary and Patricia Ward of Toronto, wore green jacquard taffeta

in street length, with head pieces of green taffeta and net. All carried baskets of white asters tipped with green.

The tapers were lighted by Vicki Rodman and Kip Baker of Toronto.

The Rev. George Henriksen of Chicago, brother of the groom, served as best man. Edward Henriksen, cousin of the groom, and Marvin Valdeis of Wichita, Kansas, served as ushers.

A reception in the church lounge followed the wedding. After the wedding trip to the Ozarks, the couple will attend conferences in Minnesota and Kansas.

The bride recently returned from Taipei, Taiwan, where she served a five year mission term. The groom returned last December from his term of mission work. Both are under the China Inland Mission Board and plan to return to foreign mission in the future.

Mr. and Mrs. G. B. Henriksen, Sr. of Antioch, Mrs. C. O. Henriksen and son, Edward, of Chicago, Mr. and Mrs. G. B. Henriksen and daughter of Chicago and Mr. and Mrs. George Lowry of Chicago attended the wedding.

Bradley - Wais Wedding

Miss Shelby Jean Bradley of Chicago and James F. Wais of Antioch were married Saturday, September 21, in a double ring service in Waukegan.

The bride is the daughter of Mr. and Mrs. H. Dean Bradley of 4148 Monticello, Chicago. The groom is the son of Mr. and Mrs. Frank Wais of 206 Oakwood Drive, Antioch.

The bride wore a white brocade suit and white pill box hat trimmed with pearls with a veil. She carried a white orchid corsage.

Miss Sharon Palazot was maid of honor. Gary Rich-

ter was best man. A reception for the immediate family was held at the bride's home. After a honeymoon trip to the Wisconsin Dells the couple is at home in Antioch.

Altar & Rosary

The October meeting of the Altar and Rosary Society will be held on Monday, Oct. 7. Rosary and Benediction begins at 7:45 p.m. The St. Vincent's orphanage committee will plan the program. All ladies of the parish are invited.

METHODIST MEN'S CLUB

The Men's Club of the Antioch Methodist Church will open the current year with a dinner meeting starting at 6:30 p.m. on Monday, Oct. 7, in Wesley Hall. The program will include a speaker from the Lake County Museum of History and a sound film on the history of the Museum entitled "Preserving Your Heritage."

Club officers for 1963-64 are: M. C. Cain, president; Elmer Eberman, vice-president and program chairman; Clarence Olson, secretary; and Sigurd Nielsen, treasurer.

Reservations may be made by calling 395-1259 during the day or 395-0306 in the evening.

STUDENT AT BLACKBURN

Carlinville, Ill.—A young man from the Antioch area has recently enrolled as a new student at Blackburn College.

Freshman Albert, Floyd Gruidl recently underwent a week of orientation as part of the 145-member class of 1967. He also began work at the college under the "work-study" program, celebrating its 50th anniversary this fall.

Gruidl, a May 1963 graduate of Antioch Township high school, is the son of Mr. and Mrs. Raymond Gruidl, Rt. 3, Box 599, Antioch. He received letters in basketball and cross country and belonged to the National Honor Society in high school.

Cermak Surprised On Birthday

Charles Cermak was presented with a membership at the George Diamond Country Club at a surprise birthday party in his honor last Wednesday at the Club.

Among the 50 guests who gathered to honor Mr. Cermak were Charles Larson, William J. Murphy, Bruno Stanczak and Judge Phillip Yaeger.

The day dreaming motorist is a danger not only to himself but to other drivers on the streets or highways, says the Chicago Motor Club.

If you find yourself day dreaming behind the wheel, you'll find it a lot safer to pull off the road until you regain your alertness. An essential part of safe driving is the ability to keep your mind on the task at hand—operating an automobile.

Dear Mr. Bushwaker: Any comment on death and taxes? Reply: "One thing in favor of death over taxes: Death doesn't get worse every time Congress meets." —Nokomis Free Press Progress.

The faith hath made thee whole. —(Luke 18:42).

To express our true faith in God we should pray definitely and purposefully for healing. That is the way we receive answers to our prayers.

Customer: "Just look at this chicken you served me! One leg is longer than the other!"

Waitress: "Were you planning to eat the chicken, or to dance with it?"

Christ Lutheran Church News

Christ Lutheran Church, Salem, Wisconsin, will conduct a 10 day Stewardship program October 5-14. The American Lutheran Church provides this service free to mission congregations to help them plan their total program.

Mr. J. C. Johnson of Eau Claire will be the resident counselor to assist Christ Lutheran. It will be a program of study, planning, training, and fellowship.

Hootenanny Lunch For Woman's Club

A combination luncheon and Hootenanny will open the club year for the Antioch Woman's Club next week.

The luncheon will be at Lorenz's Smart Country House, at 12:30 p.m. Monday, October 7. Reservations may be made with the social chairman, Mrs. Homer LaPlant, up to Friday.

The new officers will be hostesses for the affair, and members may bring guests.

The Hootenanny will be conducted by Mac Ryan at the organ.

MAC RYAN and President Joan Larson prepare for the Hootenanny Luncheon of the Antioch Woman's Club.

Engagement Announced

Jill Gaston

Mr. and Mrs. Howard K. Gaston, Antioch, announce the engagement of their daughter, Jill Eleanor, to Mr. George Pierce of Chicago.

The wedding will take place on November 30.

Social Notes

By Del Jahneke

Dr. and Mrs. W. C. Petty, Antioch, have had Mr. and Mrs. John Murphy of Vero Beach, Fla., as their guest this past week. Mr. Murphy is Mrs. Petty's brother. Mr. and Mrs. Murphy are now in New York City for a week, before returning to their home in Florida.

Mrs. Effie Nelson, in company with her daughter, Mrs. Joseph Horton, left on Monday, Sept. 30, to go to the Mayo Clinic, Rochester, Minn.

Postmaster Roy Kufalk and Mrs. Kufalk left Antioch on Wednesday to fly, by Northwest Jet Plane, to Honolulu, Hawaii. They will spend eight days in Hawaii, attending the National Postmasters' Convention. While there, they will fly to another island, Kawaii, for a day of sight-seeing, and then fly back. They will leave O'Hare Field at 1:30 a.m., and arrive in Honolulu at 9:30 a.m. The trip back will take even less time, because of the time zone differences.

Approximately 30 members of the Faith Evangelical Lutheran Church of Antioch's Ladies Aid were guests of the Bristol Lutheran Church's Ladies aid, at a luncheon and social party, on Sept. 24. The Ladies Aid of the Peace Lutheran Church of Wilmet, Wis., were also guests at the affair.

Mr. and Mrs. James Wais

Savings Bonds

Lake County residents purchased a total of \$428,533 in Series E and H United States Savings Bonds in August, according to Philip L. Speldel, Lake Forest, general county chairman of the savings bonds committee.

Free Tours of Museum Offered

Special invitations have been sent to Lake County School groups from the Lake County Museum of History offering free class tours. The Museum, located on Wadsworth Road just east of Route 41, will close for the winter November 1. School groups making appointments in advance will be admitted free of charge.

The Museum depicts the growth and development of Lake County from the days of the pre-historic Indians to the present.

stated. "We are in need of many more trained leaders. Our troops now have a wider age range which we feel will appeal to the volunteer leader because she will be able to work with a variety of activities."

Girl Scouting already offers on outstanding program, but we depend heavily upon the interest and cooperation of the people in our community for continued growth. If you wish to become part of this program, call Mrs. Sedivec at 395-0087 or Girl Scout Headquarters, Ontario 2-5725.

Scout News

GIRL SCOUTS

Starting this week, the Lakeview Girl Scout Council is offering training in Girl Scout leadership to women throughout north Lake County. In Antioch, training sessions will be held in November. Mrs. George Sedivec, Neighborhood chairman, will be glad to register any adults interested in Basic Group Leadership, the Troop Committee Workshop, Troop Management Workshop or the International Friendship Workshop. Registration must be received one week before the opening date of the course.

"Girl Scouting has an excellent reputation for quality training which makes the leader's job both manageable and enjoyable," Mrs. Sedivec

BOY SCOUT TROOP 91
On Thursday, September 19, at the Antioch American Legion Hall, the former Scoutmaster, Kenneth Sheldon, officially handed over the leadership of Troop 91 to the new scoutmaster, Richard Harland of Channel Lake. Mr. Harland had previously been an Assistant Scoutmaster at Channel Lake.

CUB SCOUT PACK 92
The September meeting of Cub Scout Pack 92 was held Sept. 26 at 7:30 p.m. at the Grade School Gym. The theme for September is Science Fair.

New Bobcats are Mark Maras, John Thain, Dennis DeBoer, Jim Fisher and Leonard Benning.

Wolf arrows were awarded to Greg Benning, Wayne Soder and Bob Beever.

Bear badges went to Don Irving and John Vojteck. Bear badge and a gold arrow

to Dave Yuka and a Bear badge and a gold arrow to Greg Benning.

Boys receiving year pins were John White, Jeff Kroepflin, Daryl Gussarson and Joseph Bickel.

Webelos graduates were John White and James Rockow. The boys were welcomed into Boy Scout Troop 91 by Richard Harland.

New Den Mothers who joined Pack 92 this season are Mrs. Jackie Kennedy, Den 3, and Mrs. Marilyn Evanson, Den 5. The den mothers continuing this year are Mrs. Betty Christensen, Den 2; Mrs. Jackie Green, Den 6; Mrs. Janice Hagstrom, Den 9. Mr. Gordon DeBoer is chairman. The committee for Pack 92 for the 1963-64 seasons are:

Mr. Joe Hollstern, Cubmaster; Mr. Harry Green, Committeeman; Mrs. Rosina Hollstern.

There will be Charter Inspection on Oct. 17 at 7:30 p.m. at the Scout House for all Cub Scouts. The fathers of these boys are asked to be present.

An adventure Round Up Patch can be earned by Cubs who bring in a new Cub Scout member by December.

The Flag Ceremony for the September meeting was presented by Den 2, with Jim Nissen and Gary Burnett as Color Guards.

Refreshments were served in the cafeteria after the meeting. Table decorations to welcome new Cubs, their parents and present mem-

bers were made by Den 2.

GIRL SCOUT TROOP 201

For most Girl Scouts the most exciting adventure in the out-of-doors is camping. And camping for Cadette Scouts of Troop 201, Grass Lake, means learning to live comfortably and safely in nature's world—day and night, winter and summer, in good weather and bad.

Good camping demands proficiency at many skills plus knowledge and experience. The girls must practice putting up tents, keeping bedding dry and making nourishing, tasty meals in

preparation for their planned weekend camping trips.

"For Girl Scouts of all ages," Mrs. W. Johnson, leader of Troop 201, said,

"whether they walk out, meet out, hike out, cook out, sleep out or camp out, the out-of-doors offers fun, excitement and rich, full living."

'64 Jet-smooth Luxury CHEVROLET

'64 Chevrolet Impala Sport Sedan

Besides looks, ride and power - what's so special about it?

(It's so reasonably priced)

Kind of leaves the high-priced cars some explaining to do, wouldn't you say? Long and luxurious—with a fresh-christened look. Richer roomy interiors with subtle new blendings of colors and fabrics. Like the ultra-soft vinyl upholstery in the new Chevrolet Impala Super Sport Series.

A choice of seven engines, no less, with output all the way up to 425 hp. And a choice

of four smooth transmissions to go with them. And underlying it all, the opulent feel of this '64 Chevrolet's Jet-smooth ride.

Matter of fact, the most noticeable difference between this beautiful new 1964 Chevrolet and the high-priced cars is the price itself.

Let your dealer show you how much luxury that reasonable Chevrolet price now buys.

See five entirely different lines of cars at your Chevrolet Showroom—CHEVROLET, CHEVELLE, CHEVY II, CORVAIR & CORVETTE

Board Struggles...

(continued from page 1)

had paid him a substantial sum to build a home for them, and he had never done any work on it, they said. A civil suit had recovered some of their money, but they had lost a great deal. Mrs. Reeder said, and felt that the board should refund the money paid for privileges they had never used.

Attorney Jacobs pointed

out that if any money were to be refunded, the board would legally have to refund it to Bogart, as he paid it, unless the Readers could secure a written notice from Bogart or his attorney that the money belonged to the Readers. In any event, he said, the price of the building permit—\$30—could not be refunded.

The board voted to pay O'Brien Company \$1,400 for rodding out sewers which serviced the Antioch Clinic. Two additional bills were to be sent to Kennedy Co. and to Holander Construction, for work by O'Brien for which those companies were held responsible.

WHO PAYS FOR WATER MAIN?

Ernest Glenn reported he had investigated the matter of extending the village water main to service the property of Lillian Kelly, at the corner of Route 173 and 59. The cost to Mrs. Kelly of such a main, if she were to assume the entire cost, he said, would be prohibitive. He asked if the village would share the cost, with the view of extending it to other owners who might build in the area, down Rt. 173, in the future. Atty. Jacobs and Mayor Cunningham said that the village could not legally assume more than 15% of the cost.

The problem is complicated, pointed out Mr. Glenn, by the fact that the Osmond property (Lakes Tile and The Advertiser) are serviced by 2-in. copper tubing run from a water main on Osmond property bordering Lake St. They would be unwilling to pay for installment of a proper water main, as they already have the service.

Bernard Osmond entered the room at that moment and the board explained the difficulty to him. He commented that he could see no difference between the village assuming the cost of extending the water main to Route 173 and 59, and the work now being done at village expense, extending sewer and water down Route 173 to Route 21. No comment was made by board members and the problem was turned back to Glenn for further consideration.

BOARD TO ATTEND CONVENTION

The village board voted to send all members of the board who wished to go to the Convention of Village Boards at Springfield, allowing each man \$125 for expenses for the four-day stay. A building permit was granted to Laura Rentner to build an addition on the building at 865 Main St. Cost of the addition was given as \$13,091.00.

IMPROPER PARKING

Trusted Einar Petersen pointed out that something should be done about the dangerous condition created by cars parked in the Jewel Tea parking lot, with bumpers jutting out over the sidewalk. There is often no room for pedestrians on the sidewalk, he said. Irving Walsh remarked that car lots on North Main St. created the same condition there, often leaving no place for school children to walk safely. The board agreed to instruct Chief Walter Scott to contact property owners and warn them to leave sidewalks clear.

SUGGESTS HIRING BUILDING COMMISSIONER

Petersen also brought up the matter of hiring a Village Building Commissioner, either part time or full-time, to keep check on all building being done within the village. He said he thought it might help in the future, in making sure that builders carried out provisions of the board. At present, he pointed out, by the time the Village Board realizes an undesirable situation has been created it's too late to do anything about it.

The board tabled the matter for consideration.

PETITE LAKE

By Elsie M. Toman
Mrs. George H. Schroeder, Senior Regent for the Women of the Moose, Antioch Chapter 735 with 5 co-workers returned from a Moose State Convention which was held in Peoria, Ill. This season started Sept. 20 and ended Sept. 22.

Mr. Herman Clare of Petite Lake returned home from the hospital and is recuperating from an illness.

WBBM RADIO'S PERT, PERT, PERT—Perry Pryor will be one of the featured vocalists at the Lake Region Jaycees Charter Celebration and Community Awards Dinner, Saturday night, October 5th at the Wing 'n' Pin Club, Volo, Illinois. The Gene Autry Sahara Inn Orchestra with Ollie Raymond will provide the music for the occasion.

Do you know how much less income (Federal) tax you would be paying, if there was no national debt? If your income tax is \$1000 in 1963—and there was no interest to pay, the budget would be balanced and you would have to pay only \$808. Excessive interest payments can break the back of industry—it can do the same to government, or the individual taxpayer. — Redfield, Iowa, Review-Sentinel.

"Where The Boys Are—"

Airman Grant E. Burger, Jr.

LACKLAND AFB, Tex.—Airman Grant E. Burger, Jr., son of Mr. and Mrs. Grant E. Burger, Sr. of Rt. 4, Antioch, Ill., is being reassigned to Keesler AFB, Miss., for technical training as a United States Air Force radio and radar maintenance specialist. Airman Burger, who enlisted in the Air Force a short time ago, has completed his initial basic military training here.

The airman attended Central High School, Salem, Wis.

One man to another: "I'll never forget the day I first met my wife, although heaven knows I've tried."

To Show New Teaching Aids

A special preview of Bell System high school science teaching aids for administrators and teachers was held at 4:30 p.m. Tuesday, Oct. 1, in the College Commons of Lake Forest College at Sheridan and College Roads, according to R. C. Miller, Illinois Bell manager.

Shown was a brand new study called the "Speech Chain" for use in both biology and physics classes and "Speech Synthesis" experiment for advanced students. Also on display were two previously introduced aids named "Ferromagnetic Domains" and "Similarities in Wave Behavior" with the student experiments "Solar Energy" and "From Sun to Sound."

The teaching aid being introduced this year demonstrates how speech is produced by human vocal chords and also points out factors that may affect speech. Utilizing special texts, demonstration equipment, movies and recordings, it provides new information in import-

THE ANTIOCH NEWS 4 THURSDAY, OCTOBER 3, 1964

ant areas where existing course material is slight.

"It's our feeling," Miller said, "that no force helping the individual or the nation to grow is stronger than education. Our program offers concrete assistance in areas where we have special competence. Put together by scientists and science teachers it's our hope that these resources will offer educators an opportunity to expand their effectiveness and interest more capable young people in careers in science."

Work, yes; but think, too.

My Neighbors

OUR FAMILY

Douglas, Jeffrey, Billy, Victor, Gerda, and Bill

HAS JOINED THE STANDARD OIL FAMILY

On October 1, 1963 Bill Lahti, owner of Lahti Oil Company, became a member of the Standard Oil Family as Standard's Fuel Oil Representative. The Standard Oil Family, in the Chain O' Lakes Area, includes Dudley Kennedy at Antioch, Warren Chard at Grayslake, Leonard Oler at Fox Lake, and your neighborhood Standard Service Stations.

The Lahti Family always has had growing pains and in order to continue improving the services needed by our customers we decided that we should team up with people that also have the desire to give their customers the best. You expect more from Standard—and you get it!

The Lahti Family wishes to thank your family for the privilege of delivering your heating oil requirements during the seventeen years that we have been in business; and our new family sincerely hopes that we can continue the pleasure of being a service to you. Our phone number remains the same—395-4151.

Coin Collectors to Display Treasures

Coin Collectors will gather at the Swedish Glece Club in Waukegan on Oct. 5 for their annual banquet and to exhibit their numismatic treasures. Trophies will be awarded to the collectors whose exhibits win top honors. These will not necessarily be the most valuable collection, but will also be judged on the method of display, historical significance and description. The next day (Sunday) coin collectors will have a chance to view and buy coins displayed by dealers from Indiana, Wisconsin and Illinois. The public is invited to the sale.

An auction will be held at 4 p.m. Sunday, in which prized coins will be sold by non-dealers.

An emergency vehicle approaching with a siren blasting always should receive the right of way, says the Chicago Motor Club. When a driver becomes aware such a vehicle is approaching, he should pull over to the curb and come to a complete stop. If there is no room along the curb, the motorist should then pull as closely to the right curbing as possible.

PROPAGANDA

Communists started their propaganda many years ago when little children were forced to sing: "Twenty frogs went to school, down beside a Russian pool."—Macoupin County Enquirer.

There's only one cure for a man in love—marriage. If that doesn't cure him, nothing will.

PAINLESS POLIO IMMUNITY. These two little girls willingly take their Sabin Oral vaccine.

October 13 is S.O.S.

October 13 will be Sabin Oral Sunday in Antioch.

This is the day the Oral Polio Vaccine will be given to all Lake County residents. In Antioch, the vaccine will be given at the Antioch Community High School. A 50¢ donation is requested from each person receiving the vaccine. However, no one will be refused the vaccine if he is unable to pay.

Several groups are sponsoring Sabin Oral Sunday—the Lake County Medical Society, the County Health Department, The County Pharmacists Assoc., the Lake Region Jaycees, and Jayettes, and many other organizations.

Advantages of the Sabin Oral Vaccine are (1) the ease with which it can be given—by mouth, rather than by injection needle. (2) The vaccine not only gives the immunized person immunity to the disease, but makes it impossible for him to be a carrier of the disease.

The vaccine has been given to millions of persons, with little or no after-effect. Experts believe it will give you long-term immunity to the disease, similar to the immunity provided by smallpox vaccine. No confirmed cases of polio have resulted from the vaccine.

Everyone is eligible to receive the vaccine, including infants more than six weeks of age.

Even though you may have received the Salk polio shots, a series of all three types of oral vaccine is recommended. The vaccine protects against all three types of polio.

Millburn News

By Mrs. Frank Edwards

Regular services at Millburn Congregational church Sunday, Oct. 6; Sunday school and church at 10 a.m.

The first session of the Confirmation class was held Sunday morning, Sept. 22, with 20 present. Members meet every Sunday morning at 9:00.

Twenty members of the Pilgrim Fellowship were guests of Mr. and Mrs. Robert Brown in Libertyville where they enjoyed a swimming party and a picnic lunch.

At the regular meeting every Sunday evening the following officers for the coming year were elected: Kenneth White, president; Carl Osterlund, vice president; Mary Paulsen, secretary; and Bill Eckert, treasurer.

The October committee of the Ladies Aid will serve a Roast Beef cafeteria dinner at the church Thursday, Oct. 3, (today), at 12 noon with Mrs. John Halsma, chairman, and Mrs. LaMont Ray, co-chairman.

The business meeting and Devotion will be held in the church parlors at 1:30 p.m. Mrs. Eunice Denman will be in charge of Devotions, and Bazaar plans will be discussed. Nov. 1 is date of the bazaar. The public is welcome.

The Devotional Study Group met at the home of

Mrs. Garrett Trout Thursday morning with 16 members present. The next meeting will be held at the home of Mrs. Carl Anderson Thursday, Oct. 10, at 9 a.m.

Mr. and Mrs. John Edwards and daughters of Libertyville spent Sunday evening at the home of Mrs. Frank Edwards. Mrs. Harley Clark and Mrs. James Bonner and children spent Saturday with Pat Arney at Hinsdale.

Mr. and Mrs. William Paulsen and Mary Sue and Paul Paulsen spent Sunday at the home of their daughter and husband, Mr. and Mrs. John Clem of Urbana.

Mr. and Mrs. Garrett Trout spent Sunday afternoon with Mrs. Romelle Pringle of Milwaukee, Wis.

Clifford Weber, Jr., of Zion spent Thursday evening with Mr. and Mrs. Frank Hauser.

Miss Sharon Weber who has been a patient at Mt. Sinai Hospital in Chicago, will soon be leaving for the winter at the home of her parents in Florida.

The oil industry has spent more than \$4 billion in the Gulf of Mexico since the area's first major oil field was discovered 25 years ago, Oil Facts reports.

Based on the annual reports of 65 leading oil companies, taxes on the petroleum industry in 1962 amounted to \$2.21 for every dollar of net profit, according to Oil Facts.

Everybody out of the rut ...the '64 Buicks are here!

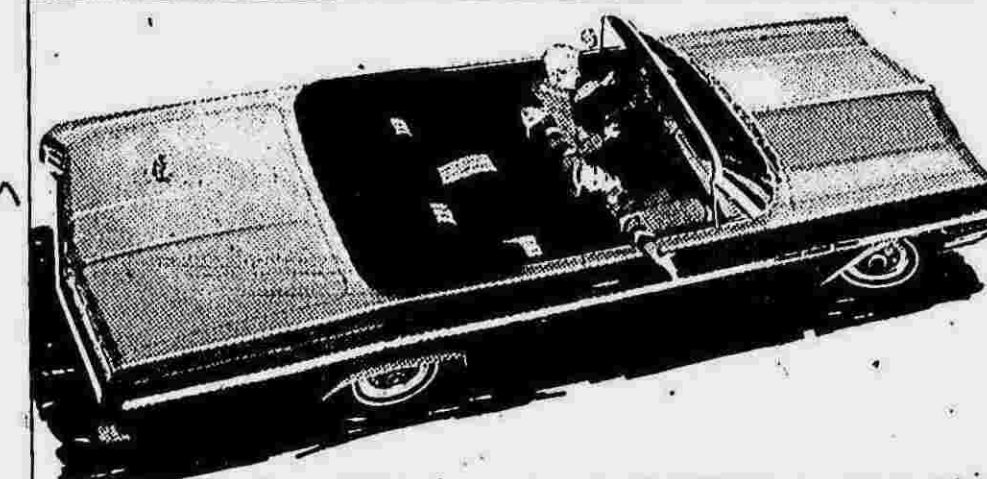

New Wildcat: Wildest, sportiest yet. Three hefty engine choices (up to 360 hp). Hot new Formula V wheels (optional at extra cost).

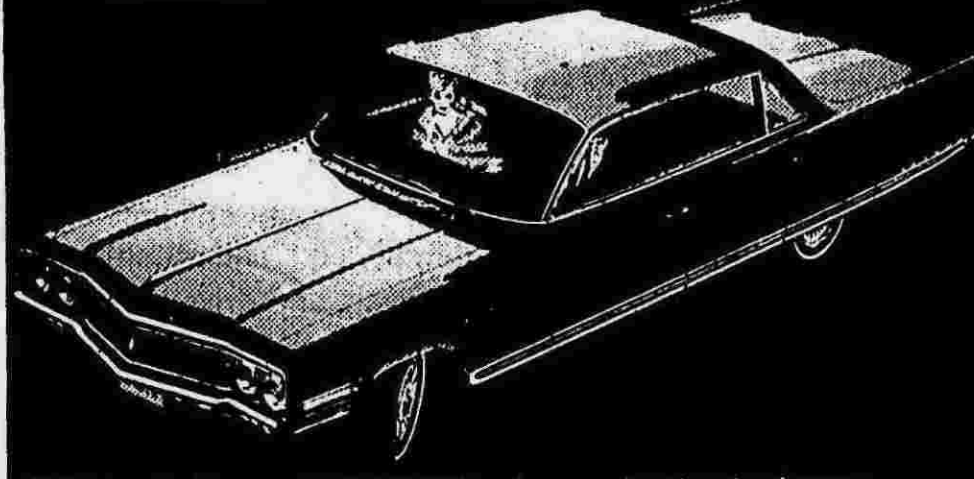

Buick Special: Now longer wheelbase, safety box frame, roomier body. Still low priced.

Buick Skylark: A very personal car with a flair for action. Now in 3 models.

Buick LeSabre: Stunning new looks, new gas-saving engine. Probably 1964's best full-size value.

Electra 225: Most luxurious Buick. Splendidly contemporary in taste and performance.

Our happiest problem for '64 was: how to beat a winner? According to thousands of owners, the 1963 models just about had it made in all departments. But—when your name is Buick—you just don't rest on your laurels. You keep pushing to make a great car greater.

So... the '64 Buicks are new—but new.

New engines, V-6 or V-8 (you'll like their new gas economy), new, smoother, extra-cost option, Super Turbine Transmissions (and who, but Buick, would build in an altitude compensator?). Youngest looking Fisher Bodies in town! Visit a showroom, sit in any one of the new Buicks, and practice this short easy line: "My Buick." Sounds good, doesn't it?

...above all, they're BUICKS!

DEATH NOTICES

ERIC E. ANDERSON

Eric E. Anderson, 61 years old, of Highway 46, Millburn, passed away at his home Monday, Sept. 30. Mr. Anderson was born Aug. 22, 1902, at Gurnee, living also in Waukegan, he moved to Millburn in 1918, living on the same farm since. He was a member of the Millburn Congregational Church—one of the auditors of Lake Villa Township; a vice-president of the Lake County Civic League; Secretary of the Lake Villa Fire Protection District; President of Lake County Farm Bureau; Secretary and Past Master of Millburn Masonic Lodge No. 427 A. F. & A. M. at Millburn; Director of District No. 1 of Illinois Agriculture Association; I. A. A.; Director of Lake-Cook Farm Supply; and President of Millburn Mutual Insurance Co. at Millburn.

Mr. Anderson is survived by his wife Alice; one daughter, Rebecca (R. Louis) Wall of Charleston, South Carolina; two brothers, Phillip of Millburn and R. Edward of Phoenix, Ariz.; three sisters, Mrs. Anna Lossman, Waukegan, Mrs. Carrie (Max) Irving, Antioch; Miss Margaret Anderson of Millburn; one grandson also survives.

Funeral services will be at 1:30 p.m. today (Thursday) from the Strang Funeral Home in Antioch, the Rev. L. H. Messersmith of Millburn Congregational Church officiating. Interment will be in Millburn Cemetery at Millburn.

A Masonic service was held Wednesday evening at 8 p.m. at the funeral home. Friends desiring may make contributions to the Millburn Congregational Church or the Millburn Masonic Lodge No. 427.

JAMES BRANZOVSKY

James Branzovsky, 80 years old of Camp Lake, Wis., passed away suddenly from a

NAVY TELEPHONE OPERATORS LAUDED—A thank-you in cash was awarded these Navy telephone operators for superior accomplishment at the Great Lakes Naval Training Center, where Rear Admiral Howard A. Yeager, Center, Commandant of the 9th Naval District, presented the awards. Officer-in-charge of the operators is LCDR L. L. Buswell (in white uniform); communications officer of the 9th Naval District. The operators are (from left) Mrs. Elizabeth Kelch of Waukegan, Mrs. Eleanor M. Ethridge of Great Lakes, Mrs. Melva J. Locleiro of Zion, Mrs. Bernolte Garner of Lake Villa, Mrs. Dorothy A. Liberty of Waukegan, Mrs. Nancy L. Chermak of Antioch and Miss Catherine E. Dyer of Waukegan. (US Navy Photo)

heart attack at 1:30 p.m. on Wednesday, Sept. 25, at the home of Anton Skiba in Camp Lake Oaks Subdivision where he had been making his home since July 1963. He was born March 18, 1883 in Borice, Pisek, Bohemia, and came to America in 1903 to settle in Chicago where he resided until moving to Camp Lake in 1941. He holds membership in Holy Name Catholic Church in Wilmet. Mr. Branzovsky had owned a combination grocery and meat market in Chicago before his retirement. He was preceded in death by his wife Emma (nee Michalek) on June 22, 1958, and one son, George, in 1923. There are no surviving relatives known.

Funeral services were held at 9 a.m. Sept. 27 from the Strang Funeral Home, Antioch, to Holy Name Church at Wilmet at 9:30 a.m. Interment was at St. Adalbert's Cemetery at Niles, Ill.

KENNETH C. TATE

Kenneth C. Tate, 59 years old of 237 Hickory Lane, Antioch, passed away at 6:15 p.m. Saturday, Sept. 20, in St. Therese Hospital in Waukegan, after a 4 day illness. He was born Nov. 6, 1903 at Beecher City, Ill. He served as administrator of the Beecher City School Unit District No. 20 for 30 years. He then moved to Ormond Beach, Florida. He has been residing in Antioch for the past four years and had been teaching in the Lake Villa Grade School. Mr. Tate holds membership in the Beecher City Methodist Church. He was a member and past master of Beecher City Masonic Lodge No. 665 A. F. & A. M.

He is survived by his wife, Fern (nee Morrison), teacher at Antioch Community High School, two brothers, Dr. B. F. Tate, D.D.S., of O'Fallon, Ill., and Mr. Gaylord Tate, Mahomet, Ill. Funeral services were held

JOHN MORGAN, 33, attempts to sweep around and for extra stopped him after a short gain as Lake Forest went on to beat the yardage against Lake Forest Saturday. The three Scout defenders Sequoits, 19 to 9.

Hard-Playing Sequoit Squad Fails To Break Scouts Winning Streak

Will Finish Season With 6 - 2 Record, Says Coach Nelson

The Antioch Sequoits threw a bad scare into the Lake Forest Scouts Saturday afternoon as they came very close to an upset, finally losing 19 to 9. Playing on their new field for the first time, the Sequoits led 9 to 0 at the end of the first half and held the Scouts scoreless for part of the third quarter.

Antioch's first score was set up when Terry Schneider intercepted a Lake Forest pass and gave the Sequoits the ball on their own 35 yard line. Quarterback Wally Henning threw to Bernie Smith good for 48 yards and a first down on the Lake Forest 17 yard line. Henning tossed to John Lear on the next play for the touchdown. Greg Gates booted the point after and the score read Antioch 7, Lake Forest 0.

Lake Forest took the kick-off on their own 24 yard line and moved to the Antioch 18 before Terry Schneider stole another Lake Forest aerial and returned it 63 yards to the Lake Forest 27 yard line.

The Sequoits moved the ball to the four yard line when Lake Forest intercepted a pass to stop the threat. Moments later Lake Forest was forced to punt with 4th down and 10 to go on their own three yard line. A bad pass from center flew the ball out of the end zone giving the Sequoits 2 points on a safety.

The Sequoits threatened again as they took the free kick on the Lake Forest 42 yard line and moved to the 26 before the Scouts intercepted a Henning pass to stop the drive.

Lake Forest's first touchdown came on an intercepted pass early in the third quarter. Set up with first and 10 on the Sequoit 11 yard line the Scouts moved to the Antioch 1 yard line in 5 plays where Tim Feenster took it over for the TD.

The Scouts' second touchdown came on a spectacular 65 yard run by Jim Kahle early in the fourth period. Feenster tallied the last score of the game late in the period on a reverse play, that covered 37 yards.

The game was highlighted by good hard clean tackling and blocking. Lake Forest's Ray Dixon, rated the best halfback in the conference, spent most of the game on the sidelines as a result of one of the blocks.

Again the Sequoits out-gained their foes, picking up most of their yardage via the air route. Antioch gained 412 yards on passes but could manage only 53 on the ground. Lake Forest ground out 119 yards rushing and 35 on passes.

The Sequoits picked off 3 Lake Forest aerials and recovered 3 fumbles, losing the ball four times, three times on interceptions and once on a fumble.

Henning passed 22 times, completing 9 of them for a 40 percentage. The Sequoit secondary held the Scouts to 3 completions out of 19 at-

tempts. Both teams had 7 first downs.

WILL BEAT GRANT, SAYS NELSON

Coach Roy Nelson's Sequoit move to Grant High School Saturday for their last night game of the season. Grant is 2 and 0 in conference play, beating Wauconda and Round Lake.

"I hope I won't have to eat my words," Coach Nelson said, "but these boys are out for a 6 and 2 season." In order to do it the Sequoits will have to win all of their remaining games.

"We expect them (Grant) to pass a lot and they have two real good boys in Warren Neilson and Tony Culatta," Nelson added. "These boys are tough," Nelson said, speaking of his Sequoit grid-ders, "and they are getting better every game."

"We should be able to move the ball on the ground a little better against Grant than we have against Lake Forest or Grayslake," Nelson said.

Should the Sequoits win their last five games it will mark the best football season at Antioch High School since 1959.

Rudy's Resort To Hold White Bass Derby

A "White Bass Derby" will run continuously at Rudy's Resort on Lake Marie from October 1 to Oct. 26.

The two anglers who have the most points at the end of each day will become finalists and eligible to compete on Championship Day on Sunday, Oct. 27. The Grand Winner on Championship Day will receive a rod and reel and trophy. Trophies will also be awarded for second, third, fourth and fifth places.

Points are awarded for number of fish and poundage caught. Contestants must register each day at Rudy's Resort. Further rules for the contest are available at Rudy's Resort on Lake Marie, 2½ miles west of Antioch near Cox's Corners.

Car Dealer to prospective buyer: "Of course that price doesn't include the federal, state, local, excise or sales taxes."

LOU PORTALSKI, winner of the Governor's Cup last year, in the "Grayhound".

Governor's Regatta Next Sunday

By Louise Gutowski

The Chain O' Lakes Boat Club will sponsor the 4th annual Governor's Cup Regatta Sunday, October 6. The race will be held on Pistakee Bay in front of the Oak Park Hotel and Pinky Harrison's Resort.

Top boats in the region will be contending for the Governor's Trophy, including last year's winner, Lou Portalski driving the Flood Brothers' SK boat, Grayhound.

Other boats competing will be Les Brown in his Long Gone and Ron Larson in his new Quikie Two. Ron recently broke the world's speed record in the SK class in New Martinsville, West Virginia. He was clocked at 103 MPH in the kilo trials held there. The old record of 97 MPH was made in 1959 by John Molis of Ingleside.

There will also be 280 hydros, E racing runabouts, I and II outboard pleasure crafts and 150 hydros.

The last race of the day will be a "Free for All." This event will enable all registered boats from the previous heats of races to compete against one another.

The trophies will be awarded one hour after the final event of the day. The public is invited to attend. The first race is scheduled to start at 1 p.m.

Lots of Fish In Them Thar Waters

News of Lakes ports

Burgan Takes Season Title at Speedway

Johnny Reimer, Caledonia, captured the season championship at New Waukegan Speedway Sunday afternoon when he wrapped up a 50-lap thriller in 15:37.26. Four restarts were necessary because the keyed-up field of modified stock car drivers were all gunning for a shot at the oversized purse. John Garner trailed across second with Homob rAnsell, Roger Otto, Don Sorce and Jimmy Lawrence in his wake. The race closes the 1963 season and Promoters Bob Karry and Gordon Sill plan to re-open in May, 1964.

Bill Robis, racing the hardest he has all season, took top honors in the Fender-Bender feature but couldn't earn enough points to nose out Dennis Burgan of Zion for the Sportsman season title. Burgan worked his hot No. 1 Studebaker into the third feature spot just astern of McHenry's Dick Aisson.

Money-winners in the Modified division heats were: Roger Otto, Dick VanDerSpool, Ed Irving, John Garner, "Junior" Dodd, Gordon Gorman, H. Ansell, Greg Krieger, Reimer, and Don Sorce. Reimer set fast time for the day with 18:03 for the quarter mile oval.

Smith, Al Lucas, Robis and Jim Gossman earned money in the Fender-Bender heats.

Plans are going ahead for a complete restoration of the Speedway this winter. New buildings, pit areas, fences and other features are already under construction. The promoters, Karry and Sill, predict they will have the finest racing plant in northern Illinois by season opening time next May. Sill, a general contractor from Antioch, indicated concrete work is already underway.

A popular song is one that makes us all think we can sing.

Cookin'

By Harry H. Stern

ONE MAN IN A THOUSAND IS A LEADER OF MEN. THE OTHER 999 FOLLOW WOMEN.

Fishing Report—All species are on a feeding binge and are being caught readily.

At this time of year the crappies make a run into the channels to feed, which is quite similar to their spring run. Bass and northerners are in the shallows, and are especially vulnerable to live bait, like golden roach shiners, for example. Bluegills are in the weed beds and are easy prey on red worms. Blue channel cats are being caught during daylight hours, tho the other bullheads do not seem to be around. Strippers are hitting good, if you can find 'em. Rudy Palenik says they are on a rampage in Marie and are being caught on Pinkie combinations as well as on live bait.

They're catching big bluegills, and lots of 'em, in Petite Lake, in front of Ed Clement's place, on red worms, in about five feet of water.

Dr. Kopschmertz, after examining this skinny little guy, said, you have a strong heart

WES CAMP, left and Roman Vos are shown accepting the first place trophy at the annual Little League Banquet held at Lorenz's last Wednesday. Roman Vos represents the teams sponsor, the Antioch Lumber Company. Wes Camp barted as the winning Giants' manager.

Little League Giants Get Season Trophy

Rip Collins, Chicago Cubs coach, was the guest speaker at the Little League Awards Dinner at Lorenz's Smart Country House Thursday night.

Medals were awarded to the players on the All-Star team, which represented Antioch in the Illinois District tournament in July. Players were Joe Badame, John

Bjork, Jim Cerniak, Dennis Rockow, Bruce Volling, Greg Williams, Frank Zemen, Dave Camp, Steve Dotson, Rodney Miller, Donald Effinger, Wayne Simon and Jim Carlson.

Second place trophy was awarded to Jack Fields of the State Bank of Antioch, sponsor of the Tigers. Cups were awarded to coaches Gordon Volling and Gene Pogose, and individual trophies to the players.

The first place trophy went to Roman Vos of the Antioch Lumber Co., sponsor of the Giants. Cups were awarded to coaches Wes Camp and John Grumbeck, and individual trophies to the boys on the first-place team.

The present slate of officers—Gene Dotson, president; Gordon Volling, vice president; and Gordon DeBoer, secretary-treasurer—were selected for the same offices for another year.

boat but I don't think your ribs can take it.

Bruce Muench, and his side-kick, Gregg Tichacek were out on the Chain again last week, getting more statistics for their comprehensive study of these lakes. They'll make one more sortie at the end of this month and then Bruce will busy himself putting all the gathered information together in a report, which will be issued by the conservation department.

Falcons Lose, 12-7, In Last Seconds of Game

The Salem Central Falcons had victory in their hands but it slipped away in the last 29 seconds. They had Waterford on the ropes but failed to deliver the knock-out punch as the Wolverines scored on a 60 yard pass to steal the win.

It would have been a sweet win for Coach Roger Terrys gridlers, since Salem hasn't beaten Waterford since 1954. The nightmarish defeat also ends the Falcons dreams of a conference championship. If Salem wins against St. Marys and Union Grove and if Waterford drops one of its remaining games then the Falcons could share the title.

Waterford took over on their own 29 after 2 punt exchanges. Bob Guthy scampered for 32 yards to Salem's 18. Then, after successive runs by Warras, Boardsley, and Irwin, a halfback Larry Klepp, scored on a 7-yard run. The kick was wide.

Salem blew a scoring opportunity when Bob Hofer couldn't hold on to a long pass from Joe Flaschner as the first quarter ended.

Salem's stout defense held Waterford, and on the 4th down, Senior Denny Weiss poured through to block the punt, downing it on the Wolverine 38. The Falcon offense couldn't move and they were forced to punt. Waterford took over on their 9 yard line after Guthy gained 5 yards.

Jack Schaffer intercepted a pass at the 28 yard line. On this drive the Falcons missed another big play when a pass aimed at Hofer was barely tipped away by the Wolverine defender. Waterford took over on the 24 but didn't have the ball long as Jack Schaffer once again intercepted and almost went all the way.

The Falcon offense could only get 60 yards so on the 4th and 4 Mike Herth tried a field goal from the 17 but it went wide. The half ended with Waterford holding a slim 6-0 lead.

On the kickoff to open the second half Joe Flaschner downed the ball on the 13 yard line. Two plays later Schaffer shot off tackle on a reverse for 80 yards before being shoved out of bounds at the Waterford 5 yard line.

Klemko popped over from the 2 yard line. Mike Herth's extra point gave the aroused Falcons a 7-6 advantage.

Waterford threatened in the closing minutes as they garnered a 1st down on their 46 yard line. The drive was stopped as two passes fell incomplete and Denny Remus dumped Skarie for a 5 yard loss forcing them to punt. Jack Schaffer returned the ball to the 40 and all the Falcons had to do was run the clock out.

The Falcons controlled the ball well. They moved to Waterford's 40 yard line and had to give up the ball when they failed to get the game-saving 1st down. With only 29 seconds remaining Skarie

What's Cookin'?

(continued from page 9)

This trip indicated there are lots of black bass in the Chain, and the largest one brought up weighed 6 3/4 pounds. In Pistakee Lake, it was the biggest one of the year, beating out a Grass Lake minnow that went 6 1/2 pounds. The biggest striper of the year, so far, also out of Pistakee Lake, tipped the beam at a hefty 2 1/2 pounds. Blue cats are numerous in all the lakes, with a very large concentration of them around Eagle Point (Pistakee). Big schools of jumbo perch showed up in Grass Lake, at the north and west sides, as did bass and northerns. Marie checked in heavy on stripers, northerns, bass, and even walleyes, with some going to 4 pounds.

The southern end of Channel Lake (near Charlie's Channel Inn) was loaded with bluegills. Northerns, bass and blue cats were well represented.

Rudy's Resort on Lake Marie has started a novel white bass (striper) fishing derby, Oct. 1st, and it'll run for 26 days. Winners will be decided on a point system. One point for each fish over five inches long and one point for every pound of fish. There'll be prizes and trophies for the winners, and there is no entry fee. More details are contained in another article in this section, or can be obtained from Rudy.

MISSING THINGS DEPT'—Whatever became of those tasty russet apples we used to get at this time of year? And "Jersey" sweets? The stores... nowadays... sell only yams, which, in my book, can't hold a candle to a Joisey.

Dick (our leader and long range weather prognosticator) Waters and me, were out last week scouting houbly prospects. It was a little too dry and early, but we did glom onto a hat-full of delectable jumpin' mushrooms (did I spell it correctly, Annie honey?) right on Hill Brook's lawn. We took 'em down to the Harbor area (Sequit, that is) where Cheryl (she's a sweet thing) fried 'em for us. We couldn't get anyone to be a guinea pig and sample 'em for us, so we were the brave martyrs. Mmmmmmm, they were delicious. Aside from busting out in hives, there were no ill effects, so now I'm a confirmed hunter of the jumpin' (did I spell it right, Annie honey?) mushroom and wild bee honey.

THURSDAY, OCTOBER 3, 1964

To People in Their 50's with ARTHRITIS

Many of the people who come to accept our proved methods of natural treatments are long-time sufferers. The relief they now may obtain might have been theirs years ago had they written me earlier. If you will write me—no matter your age—I will send you a book that will show why drugs give you only temporary relief, how you may avoid years of needless agony and deformities that may cripple you for the rest of your life. Learn how you may obtain relief from your aches and pains of arthritis, rheumatism, neuritis, sciatica, and associated conditions, without drugs and without surgery. Over 70,000 people have done as we recommended and have been satisfied with results. I will tell you the wonderful story of what happened to them when I send the book. Enclose 25c for postage and handling. No obligation. No agent will call.

WRITE WM. C. EDWARDS

EXCELSIOR SPRINGS, MO.

ELECTRIC HEAT-

how much does it really cost now?

Electric heat rates today are 40% lower than they were 5 years ago. These lower rates—plus improved insulating and construction techniques—now bring flameless electric heat well within the means of most families.

Builder George Wilson of the Wood Dale Realty Company, 200 East Irving Park Road, Wood Dale, Illinois—a satisfied user of electric heat in his own home—has built 54 electrically heated homes in the Chicago area since 1959. These include 23 Wood Dale homes which have used electric with the results shown on this page.

These costs were compiled over a full year's time (April, 1962 to April, 1963) and included one of the most severe winters in the history of the Chicago Weather Bureau.

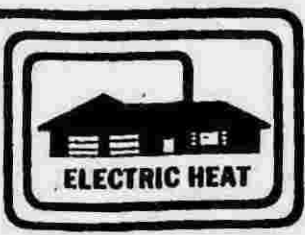

HEATING COSTS FOR OTHER WOOD DALE HOMES:

Owner: Harold G. Anderson Address: 6 N. 285 Calappa, 6 rooms Annual electric heat bill: \$163.04	Owner: Eugene R. Ripley Address: 400 Oak, 6 1/2 rooms Annual electric heat bill: \$174.66
Owner: James R. Bishop Address: 6 N. 275 Calappa, 6 1/2 rooms Annual electric heat bill: \$232.57	Owner: Raymond F. Seehafer Address: 289 N. Ash, 6 rooms Annual electric heat bill: \$154.91
Owner: August F. Campagna Address: 6 N. 310 Calappa, 6 rooms Annual electric heat bill: \$211.92	Owner: Salvatore Sparacino Address: 420 Maple, 6 rooms Annual electric heat bill: \$183.92
Owner: Jerry C. Greer Address: 333 Oak, 6 rooms Annual electric heat bill: \$178.08	Owner: George Spread Address: 390 Oak, 6 rooms Annual electric heat bill: \$179.02
Owner: Phillip Keller Address: 320 Oak, 6 rooms Annual electric heat bill: \$152.79	Owner: James L. Smith Address: 354 Cedar, 6 rooms Annual electric heat bill: \$213.59
Owner: Charles Kiss Address: 360 N. Central, 6 rooms Annual electric heat bill: \$163.76	Owner: John W. Stanko Address: 450 Elmwood, 6 rooms Annual electric heat bill: \$220.94
Owner: Ronald J. Kiss Address: 340 Hemlock, 6 rooms Annual electric heat bill: \$173.95	Owner: Forrest F. Sloeko Address: 408 Maple, 6 rooms Annual electric heat bill: \$192.13
Owner: Dr. J. Perkinson Address: 415 Cedar, 5 rooms Annual electric heat bill: \$138.54	Owner: Russell A. VanDrakle Address: 6 N. 322 Calappa, 6 rooms Annual electric heat bill: \$161.12
Owner: Charles Pippit Address: 411 Cedar, 6 rooms Annual electric heat bill: \$190.45	Owner: Donald R. Waldron Address: 335 Calappa, 6 rooms Annual electric heat bill: \$204.80
Owner: L. H. Plyler Address: 175 N. Edgewood, 6 rooms Annual electric heat bill: \$205.21	Owner: John Wanner Address: 320 Ash, 6 rooms Annual electric heat bill: \$173.50

How electric heat puts you years ahead

No furnes. No flames. No fuel. No soot. No furnace room. No fuel storage. No noise. No drafts. No moisture lost from the air. No oxygen used up. No pilot to light (or go out). No maintenance costs. It has room-by-room control. For more information—no obligation, of course—call your nearest Public Service Company office.

Get your money's worth with

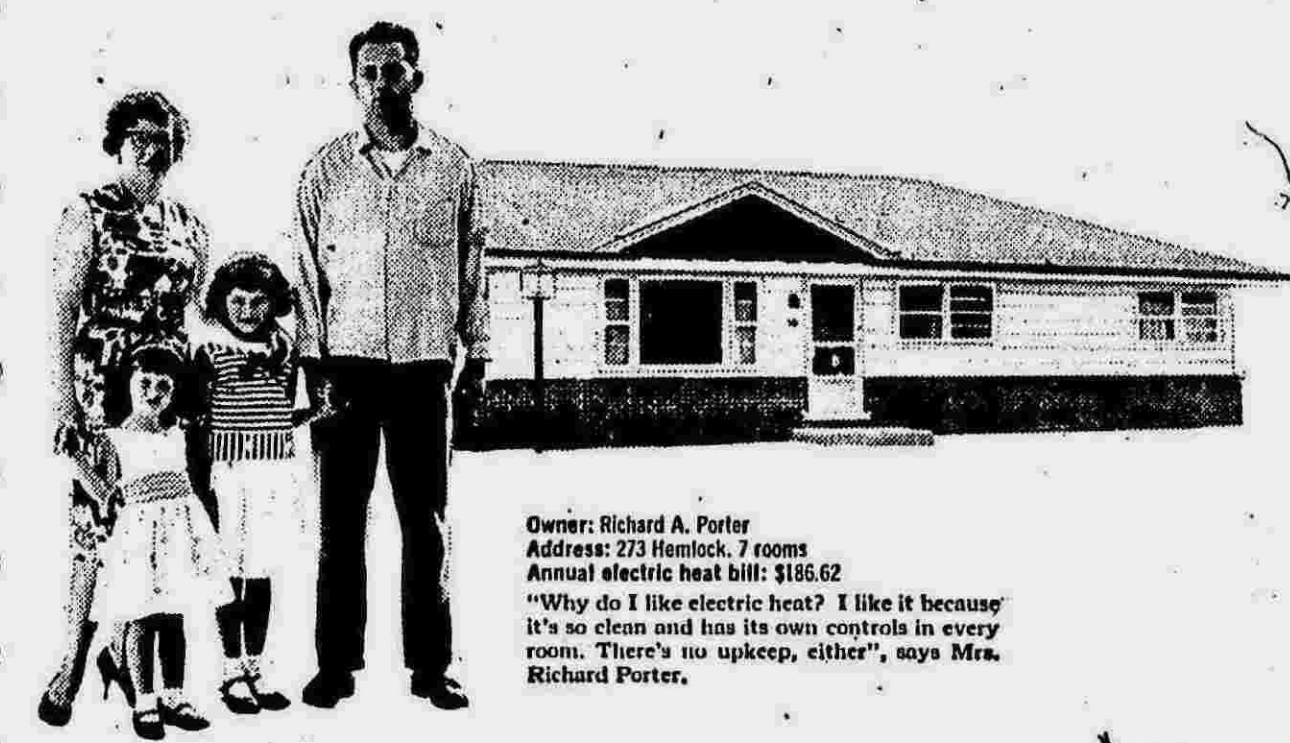

...it's flameless

Owner: John H. Sanecki
Address: 6 N. 362 Maple, 8 rooms
Annual electric heat bill: \$155.34

"I like the cleanliness of electric heat. We have white drapes in the front room and they never show the dirt. I also like the idea of having a thermostat in each room so we can regulate the children's room at night, and the bathroom when they're taking baths. If we ever get another house, it will be one with electric heating," states Mrs. John Sanecki.

\$155³⁴
a year

Owner: Richard A. Porter
Address: 273 Hemlock, 7 rooms
Annual electric heat bill: \$186.62

"Why do I like electric heat? I like it because it's so clean and has its own controls in every room. There's no upkeep, either," says Mrs. Richard Porter.

\$186⁶²
a year

Owner: Ralph Sykes
Address: 333 Calappa, 6 rooms
Annual electric heat bill: \$183.96

"We've lived in houses heated by both flame-type kinds of heating. They don't compare to electric heat. With electric, you get no drafts, and everything stays so clean. I wouldn't think of owning another house unless it had electric heat," says Mrs. Ralph Sykes.

Subdivision News

By Elsie M. Toman
395-2399

FELTER'S SUBD.

Mrs. Ernest B. Ott, of Felter's Subdivision, has just returned from a two week stay in Southern California. She was visiting her daughter, Margo, Mrs. John R. Laude of Long Beach. While staying with her daughter Mrs. Ott did a great deal of sight-seeing.

Mrs. Ott accompanied her daughter during the hectic registration week at Long Beach State College where Margo is enrolled in Teacher Education, majoring in English. The Ott's other daughter, Lynn, is also in Teacher Education. She attends the University of Illinois at Champaign-Urbana.

The Ott's son-in-law John R. Laude, is an Electrician's Mate second class in U. S. Navy. He is currently on an extended tour of the Orient and won't be returning to Long Beach until February.

Mrs. Ott ended her stay by spending a day at the famous Knott's Berry Farm and Ghost Town of Buena Park. The 'Ghost Town' is a monument to the pioneer days as preserved by Walter Knott. Here Mrs. Ott, like all visitors, visited the quaint shops

and old frame buildings that transport the visitor to the days of the 40's. In the authentic General Store she bought old fashioned penny candy and had a drink of sarsaparilla. All in all a wonderful experience.

Miss Susan Lindblad, daughter of the Robert Lindblad of Felter's Subd., was installed as worthy advisor of Antioch Chapter No. 23, Order of the Rainbow for Girls on September 28.

Mr. and Mrs. John Heib purchased the Talberg residence in Felter's Subd.

Mr. and Mrs. Francis Schmidt of Felter's Subd. are proud parents of a little girl.

The Xaylor Schimmels, former residents of Felter's Subdivision, have moved to Arlington Heights, Ill. The Richardson family purchased the Schimmel residence.

There was a meeting in the home of Mrs. Ellen Reekie on September 25.

A break-in was discovered at Donald's Drive-In No. 2, at 173 and Addison Lane. No other information was available.

Mrs. Emil Kapschke of Addison Lane held a meeting in her home with 7 members from the Methodist church, planning for a rummage sale to be held Oct. 10-11.

Mrs. Herman Rehberg returned home on Sept. 23, after eight days in Chicago, where she was taking care of her sick daughter-in-law, Mrs. William Rehberg.

Mrs. Anton Reese, 77 years of age, former resident of Felter's Subd., who resides in Chicago, fell and sprained her ankle. She will be laid up for a while.

Way One Week

Mrs. Dan Radakovic just returned from a visit with Mr. and Mrs. George Bradica, her daughter and son-in-law, who live in Alsip, Ill. "Sophie," as all her neighbors know her, helped her daughter and husband get settled in their new bi-level home.

Arthur Wertz, Airman 2nd, of Elmendorf Base, Anchorage, Alaska, son of Mr. and Mrs. Arthur Wertz, Sr., will be home for 30 days. He is looking forward to visiting with his relatives and friends. He has been in the service for 3 years. He will be out of

STATEMENT REQUIRED BY THE ACT OF AUGUST 24, 1912, AS AMENDED BY THE ACTS OF MARCH 3, 1933, JULY 2, 1946 AND JUNE 11, 1960 (74 STAT. 208) SHOWING THE OWNERSHIP, MANAGEMENT, AND CIRCULATION OF THE ANTIOCH NEWS, published weekly at Antioch, Illinois, for October 1, 1963.

1. The names and addresses of the publisher, editor, managing editor, and business managers are:

Publisher Mrs. M. E. Gaston, 654 Main, Antioch, Ill.
Editor Mrs. Pearl Kapell, Channel Lake, Antioch, Ill.
Business manager Howard Shepard, 654 Main, Antioch, Ill.

2. The owner is: (If owned by a corporation, its name and address must be stated and also immediately thereunder the names and addresses of stockholders owning or holding 1 percent or more of total amount of stock. If not owned by a corporation, the names and addresses of the individual owners must be given. If owned by a partnership or other unincorporated firm, its name and address, as well as that of each individual member, must be given.)

The Antioch News, Inc., 928 Main Street, Antioch, Ill.
Mrs. M. E. Gaston, 654 Main, Antioch, Ill.

Harold Gaston, Petite Lake, Antioch, Ill.
Robert Gaston, Highland Ave., Antioch, Ill.

3. The known bondholders, mortgagees, and other security holders owning or holding 1 percent or more of total amount of bonds, mortgages, or other securities are: (If there are none, so state.)

1st National Bank of Antioch, Antioch, Ill.

THE ANTIOCH NEWS 11 THURSDAY, OCTOBER 3, 1964

the service in March or April.

CALIFORNIA SUBD.

Mr. and Mrs. Robert Caloway of Spafford St. have moved to the Wertz residence on First Ave., Lake Marie, California Subd.

Mr. W. B. Gillum of 146 Fifth Ave. is home after being hospitalized at Victory Memorial Hospital. He is doing much better.

Miss Marguerita Gillum, daughter of the W. B. Gillums, is away at the University of Illinois, Urbana, Ill. She is taking Liberal Arts and Sciences and will major in Biology in her last two years.

Mr. and Mrs. Robert L. Jonas, 1st Ave., Lake Marie, returned from a trip through the Lake of the Ozarks and Paris, Ill., where they visited with their son and daughter.

Mr. and Mrs. George Glads purchased the McHaines residence on 1st Ave., California Subd.

Mr. and Mrs. Robert L. Jonas of 22 1st Ave., Antioch,

will celebrate their 17th wedding anniversary on October 9.

Mr. and Mrs. Paul Karas of 225 7th Ave., Calif. Subd., celebrated their 25th wedding anniversary on Sept. 17. It was celebrated in Lyons, Ill., with their daughter and son-in-law, Mr. and Mrs. George Grayaw and two children.

On Sept. 20, Rosemary Frank, daughter of the Leroy Franks, Channel Ave., celebrated her 16th birthday by procuring her driver's license on this day.

Hospitalized Twice
Mr. Fred Faust is recuperating in his home after an operation, then on their way to Wisconsin he and Mrs. Faust had to return because he was stricken with a coronary condition. He was again hospitalized. He is recovering once again in his home.

Mr. John Kopecky of East Loon Lake is hospitalized at Victory Memorial Hospital.

McMILLAN SUBD.
Mrs. Carl Schlessor and

daughters attended a wedding in Kenosha on Sept. 21. The bride was Karen Jung, daughter of Mr. and Mrs. Nelson Jung, former residents of this area.

Mrs. Carl Schlessor is the daughter of Mr. and Mrs. William Jorgensen, former residents of Antioch, now residing in Miami, Florida.

ORCHARD LANE
Mr. and Mrs. Anton Johnson will celebrate their 43rd wedding anniversary on October 23.

Mrs. Walter Buchert fell and broke her hand.

OAKWOOD KNOLLS
Mr. and Mrs. John Rohde of Oakwood Drive celebrated their 5th wedding anniversary on Sept. 25.

Mr. and Mrs. Edgar Johnston of Bridgewood Drive had a birthday party for their daughter, Janet, who was 8 years of age on Sept. 23.

About the time you struggle up to the level of the neighbors, they refinance.

Study History of Wild Life of Area

A survey of the fishes and plants of the Dead River at the Illinois Beach State Park will be the highlight of the annual meeting of the Illinois Dunesland Preservation Society, Saturday, Oct. 12, at the Lodge.

Preceded by a hike at 9:00 during which samplings of river life will be taken, Dr. Reznat Darnell of Marquette University, marine biologist, will present the history and happenings of the river in the dunesland area.

Miss Leona Stoevenier, chairman of the annual meeting announces that persons interested in learning about this unique feature of the park may attend the hike and luncheon meeting of the society by calling for a reservation to the secretary, Miss Verle Morrow, ON 2-5100.

My advice to any South American president: Don't have any personal stationery made.

Success car, '64 edition ...

The car that answers the question, "After their '63 model, what in the world will Pontiac do for '64?"

It wasn't easy, topping our super-successful '63. But we did it, with trim new styling • handsome new interiors • a smoother, quieter ride • Wide-

Track stability • 389-cu. in. Trophy V-8 power in every model • Isn't this what other cars wish they looked and acted like and don't?

'64 Pontiac Pontiac

plus a whole new kind of Pontiac.

If you've been buying the same low-priced car time after time, get ready to break the habit.

What's new with Tempest for '64? Practically everything. New 215-cubic inch in-line 6 • longer, roomier body • wider Wide-Track • new smooth-

riding suspension • new brakes • new steering • new frame • If a car like this won't break that habit, nothing will. Check your dealer soon!

Inside Antioch High

By Marilyn Gras

Next week is perhaps the most exciting one of the entire school year, Homecoming Week. Plans for the Homecoming include a Pep Rally, Bonfire, and Sockhop Friday night; a parade Saturday morning; the game Saturday afternoon; and the Homecoming Dance that evening. The theme of the celebration is "War Paint and Spirit". Student Council committee chairmen for the Homecoming are:

Queen and Court—Vil Ili-bar.
Parade—Jim Edwards
Dance—John V. Horton
Invitations—Rosemary Frank and Carol Hribar
Programs—Jeff Gates and Jim Wojczynski
Concessions and Pins—Mark Nelson
Publicity—Julie Nisson.
Freshmen and sophomore representatives on the council will serve as members of these committees.

The Cross Country squad registered its first victory of the season last Thursday at Grayslake. It on the meet by their score of 28-27. Dean Denman came in first in the race. The Fresh-Soph runners, however, lost to the Rams by five points.

The Varsity football game last weekend was a real heart-breaker for Sequoia fans. After leading 9-0 at the end of the first half, Antioch gave up 19 points to Lake Forest during the third and fourth quarters and lost by the score of 19-9.

The JV and Freshman teams were even less successful against the always tough Scouts. The Antioch Junior Varsity lost 20-0, and the Freshmen lost 57-0.

Sports action during the next week will include in football Antioch versus Grant on Saturday and in cross country Antioch versus Wau-

conda on Tuesday. The Freshman football game will be the only one of these played at Antioch.

Casting was held last week for the Fall Play "J.B." In 1959 this play won a Pulitzer Prize for its author, Archibald MacLeish. It is under the direction of Mr. Smouse and will be performed November 8th and 9th. Mr. Smouse feels that this play is the most difficult one ever attempted at Antioch.

Beach Grove

By Mrs. Del Jahneke
Phone 395-1145

Mrs. Robert H. Dunlap, Jr., Grass Lake, was pleasantly surprised by a baby shower given for her by friends from Chicago, and the suburbs. She received many lovely and useful gifts for the little one, scheduled to arrive in early December. Mrs. Dunlap, Jr., is the former Lenore Jahneke.

Mrs. Fred Maschke, formerly from Grass Lake, and now living in Ormand Beach, Florida, has been a visitor for several days, at the Joseph Dance home in Beach Grove.

The Misses Della and Helen Haase of Downers Grove, Ill., formerly of Clearwater, Fla., were guests at a luncheon on Thursday, Sept. 26, at the Edward Jahneke home. Mrs. Jahneke is the niece of the Misses Haase.

Miss Diane Olson received her Bachelor of Science degree from the Indiana University this August, and is now working at the Chicago Rehabilitation Institute. Her brother, Donald, will soon be starting his Junior year at Southern Illinois University. Mr. and Mrs. Clarence Olson are their parents.

Doctors advise walking for health, but we've yet to see a mailman who looked as if he could whip a truckdriver.

Rambler Adds Luxury Hardtops for '64

Luxury keynotes the entire 1964 Rambler line, which goes on showroom display October 3. The new Ambassador 990-H two-door hardtop includes standard equipment bucket seats with folding center armrests and a center console, chrome ceiling bows, a full wraparound safety pad plus wood-grain inserts on the instrument panels and doors, and a 270-horsepower V-8 engine as standard equipment. Sedans and station wagons also are available.

RULES FOR BICYCLE SAFETY

The Chicago Motor Club suggests these basic rules for bicycle safety: Signal for all turns and stops; obey all traffic signals; yield the right of way to pedestrians; ride alone—only one on a bike; keep both hands on the handlebars except when signaling; ride single file close to the right side of the street or roadway; keep your bike in good condition with special emphasis on the brake, bell, horn and head and taillights.

Erected to the Memory...

Teacher—"What was George Washington noted for?"
Pupil—"His Memory."
Teacher—"What makes you think his memory was so great?"
Pupil—"They erected a monument to it."

SHOE REPAIR SHOP

FRIDAY, OCTOBER 4, 1963

• ALL TYPES OF SHOE REPAIR •

Taylor's Shoe Store

891 MAIN ST. 395-0130 ANTIOCH, ILL.

West Millmore

By Rosemary Holiday
356-8477

The Lake Villa Township
Boys Club is getting off to a
good start. Boys numbering
102 have attended meetings
in Venetian Village, Lake
Villa and Lindenhurst for
the past two weeks. All
boys in the township are wel-
come to come to the meet-
ings, which will continue
through the winter until May
1st.

Meetings are held from 3
p.m. to 6 p.m. at the Venetian
Village Civic Hall on Tues-
days. The boys are able to
play numerous games includ-
ing ping pong, chess, check-
ers, and even bean-bag toss
for the youngsters. Boys
from 6 years of age to teen-
agers are welcome.

Boys from the Lindenhurst
area are encouraged to join
their friends on Thursdays
and Fridays from 3 to 6 p.m.
at Lindenhurst Civic Center.
Games and activities similar
to those at Venetian Village
will be available here also.

At the evening sessions
older boys will be able to
play basketball and work out
in the gym. Boys from Ven-
etian Village, West Millmore
and Lake Villa can attend
the club from 7 to 8:30 at the
Hooper School gym.

Boys from Lindenhurst can
work out in the Hooper
School Gym from 7 to 8:30
on Fridays. Young men, 16
or older from all communi-
ties, will be welcome on Wed-
nesdays from 7 to 9 at the
Hooper School gym.

Some of the special things
planned for the boys are
swim nights, an outing (per-
haps to see those hard play-
ing Blackhawks) and in the
future hopes a few cars for
the boys to tinker with.

The first planned "all
boys" activity is scheduled
for Saturday, October 19, in
the field adjacent to the Lin-
denhurst Civic Center. There
the boys will have a chance to
show their skill in throwing a
football. The contest will be
open to all boys and will start
at 11 a.m.

Although the club is well
under way, there is still a
need for women to help at
the club meetings during the
daytime and men during the

Rescue Squad

evening sessions. It will only
be necessary to devote about
one afternoon or evening
every two months to the club,
but your time will be appre-
ciated by the boys in all of
our neighborhoods. Should
you like to help out, or if you
have a young man who would
like to join the club, stop by
at a meeting or call Mr.
Frank Neldermeyer at EL 6-
7676 or Mr. Ray Parpan at
EL 6-3011.

Homemaker of the Year
Mrs. Melvin Colbert of
West Millmore will be one of
the consultants for the 1963
Suburban Homemaker of the
Year contest. As last year's
Homemaker from the Lake
Villa area, Mr. Colbert will
help judge the entries in
standards of family and com-
munity activities. As in the
past, the winner will be a
woman who is making a vital
and meaningful contribution
in her role as a suburban
homemaker.

Injured
You'd think a broken hand
would slow down a young
boy... but not Jeff Bruner.
Since his hand has been in
a cast, after practicing his
"Sunday punch" on an im-
movable object, he has been
more active than usual. Now
he has to see if he can do as
many things with one hand as
he used to be able to do with
two hands.

Women's Auxiliary Plans
The Venetian Village Wom-
en's Auxiliary met last week
and worked out the final
plans for their card and bun-
co party to be held Oct. 1, at
B. J. Hooper School Audi-
torium. The festivities will
start at 8 p.m. with "sur-
prise entertainment."

REMODELING? We recommend Marlite for kitchens and bathrooms

Add new beauty to any room with selfproof
Marlite paneling—and forget about painting
or further remodeling. Marlite goes up fast
over old or new walls. You can do it your-
self this weekend. The baked plastic finish
resists heat, moisture, stains, marks... stays
like new for years with an occasional damp
cloth wiping. Visit us today and see Mar-
lite's wide range of Trendwoods, colors and
patterns. Free planning help and estimates.

For 1964... Comet
announces a car that's
every bit as hot
as it looks...

Comet Caliente

This is the beginning of a new kind of Comet.
Hot, husky, handsome—top series in Comet's
'64 lineup. Engines range up to a 4-barrel
Cyclone 289 cu. in. V-8 in all Comets.

"Caliente" means hot...

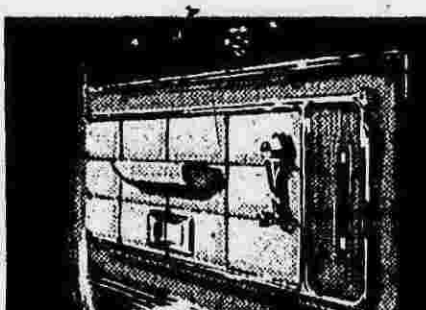

In Spanish. And this new Comet speaks the language. It
looks hot. And it is! Your choice of four engines provides
the punch. The top is a big Cyclone 289 V-8—most
responsive in Comet's field. More choice.

Now Comet offers 3 series...

the top-of-the-line Caliente, and the economical 202 and
404 series. Ten models... all bold and racy. A wide
transmission choice, too, including a smooth, silent, new
Multi-Drive Merc-O-Matic—unmatched at the price.

Elegance at a compact price

Prime example of Comet's
new elegance is the Cal-
iente, with the warm look
of walnut on the interior
trim... plus lavish biscuit-
pattern upholstery.

Power steering... power brakes...

AM-FM radio... air conditioning... every luxury option
is available in the new Comets. You can even get... but
not Ask your Mercury dealer about it. Soon.

COMET—A Mercury Product.
